WELCOME TO FAIRBORN Ohio

Welcome to the City of Fairborn! The Fairborn Area Chamber of Commerce (FACC) invites you to enjoy, explore, settle in and/or set up shop in our community. Whatever is your desire, Fairborn can provide. A city with a one-of-a-kind name born from two villages that merged in 1950! Next year in 2025, we celebrate our 75th birthday as a city!

Fairborn is a city with a diverse population with city government employees and elected leaders devoted to leading the city every day towards realizing an even more prosperous future. Thus, it's motto of, "A City in Motion". Together, with the FACC, we join forces in providing leadership and opportunity to grow our businesses and foster new ones. The FACC advocates for the best interests of the business community and encourages dialogue with the city officials to make for a stronger and healthier community in which to work and live. We are committed to job creation within our community to grow Fairborn with even more opportunities and more possibilities.

Our ideal location off I-675 positions us to be a leader in growth in the Miami Valley for years to come. Four exits from I-675 serve Fairborn and we are minutes away from I-70 and within an hour of 2 million people. Next door to our west is one of the largest US Air Force Bases in the world, Wright Patterson Air Force Base (WPafb) which employs over 33,000 people and Wright State University (WSU) to our south which offers every level of degree as it serves its students and employs many from Fairborn as does the base. The community offers an array of neighborhoods, 23 plus city parks, a few county parks, wetlands, hiking trails and bike paths. Our schools boast 3 new buildings with the middle school, the 4th new building, opening in 2027. A great administration and excellent staff provide a quality education for all of our communities children.

The Fairborn Area Chamber of Commerce is blessed by the collaboration that exists with its partners, The City of Fairborn, WPAFB and WSU! The four of us engage and strive to meet the quality of life needs so desired by our citizens and the business community. Enjoy our community and may you always feel welcome!
