ReU Juicery

OUR MISSION  
ReU Juicery aims to make including more plants in your diet as easy and delicious as possible. Our mission is to transform the way people eat, creating better health for individuals and for the planet.

OUR PRODUCTS  
We create raw, cold-pressed juice. Each bottle of juice contains 3-5 lbs of organic produce that is processed through our hydraulic press, minimizing the juice's exposure to heat and oxygen - which can destroy nutrients. The final product is a juice that's full of vitamins, phytonutrients and enzymes that nourish the body on a cellular level. We also offer a made-to-order menu including smoothies, smoothie bowls, toasts, sandwiches, bowls, and lattes.
